

Philip's Guide to Mushrooms and Toadstools of Britain and Northern Europe: An Id

By Kibby, Geoffrey.

Philip's. 1 Paperback(s), 2011. soft. Book Condition: New. Beautifully, and more important, accurately illustrated with hundreds of color drawings, this book is a rapid identification guide to more than 400 of the larger fungi of Britain and Northern Europe. Important distinguishing characteristics are labelled and a cross-section of each specimen is also provided, together with a drawing of a spore. A visual key allows the user to identify a specimen and points to the appropriate place in the book for further information, while clear symbols indicate whether a species is edible or poisonous. 256.
