1920: AMERICA'S GREAT WAR

Baen Books. Book. Book Condition: new. BRAND NEW, 1920: America's Great War, Robert Conroy, By the author of breakout WW II era alternate history Himmler's War and Rising Sun, comes a compelling alternate history thriller. Consider another 1920: Imperial Germany has become the most powerful nation in the world. In 1914, she had crushed England, France, and Russia in a war that was short but entirely devastating. By 1920, Kaiser Wilhelm II is looking for new lands to devour. The United States is fast becoming an economic super-power and the only nation that can conceivably threaten Germany. The U.S. is militarily inept, however, and is led by a sick and delusional president who wanted to avoid war at any price. Thus, Germany is able to ship a huge army to Mexico to support a puppet government. Her real goal: the invasion and permanent conquest of California and Texas!.
