Brand New Book ***** Print on Demand *****.In his teenage years, Joe Castillo developed a passion for using art to tell stories. Joe has told his WordStories to audiences for more than thirty years. He also created ArtStory presentations that combined those stories with illustrations drawn for live audiences. His newest adventure is SandStory. Drawing in sand on a light table, he is able to tell stories to music. These fluid illustrations are seen by the audience as they watch the images projected on a large screen. SandStory went viral on YouTube, and hundreds of invitations from around the world crowded his calendar. It became a totally unexpected new career. Joe wrote down the crazy adventures he and his wife Cindy were having on the road. This book is the inside record of the fun, fascinating, inspirational, and exciting adventure of how sand changed his life.
