She realizes her worst nightmares are occurring while she's still awake. Just as it looks like her life is on the right path, things go terribly wrong and leave her in a spiraling whirlwind of emotion. Trying to find her father's killer and dealing with an ex that will do anything to get revenge, she feels like she is falling. The only thing that is holding her together is her support system, her friends and Danny. Celeste loves Danny more than life itself, although now just feels as if it's not the time to be with him. He is the answer to her dreams. He is her one true love and most importantly her sudden hope. Only life isn't fair and doesn't play by the rules. This item ships from La Vergne, TN. Paperback.
