Hay House Inc. Paperback. Book Condition: new. BRAND NEW, Fried: Why You Burn out and How to Revive, Joan Z. Borysenko, This Is an Invitation to Take Your Power Back! What happened to the spark you had as a child that powered curiosity, engagement with life and creativity? Has it burned out? Are you feeling emotionally and physically exhausted and cynical, wondering if you've got what it takes to make it in this rapidly changing world? Burnout looks a lot like depression, but it's not a biological bogeyman that medication or simple stress management can cure. It's a disorder of hope and will that sucks the life out of competent, idealistic, hardworking people like you; and it will be an ongoing challenge for you to take your power back! In this timely and groundbreaking work, Joan Borysenko - a Harvard-trained medical scientist, psychologist, and renowned pioneer in stress and health - straddles psychology, biology, and soul in a completely fresh approach to burnout. Her deeply human (and often amusing) personal accounts of burnout and recovery help convey a clear understanding of the science behind helplessness, hopelessness, and empowerment. Plus, the rich wisdom of people who have gone from fried to revived - including many of Joan's vibrant community of nearly 5,000 Facebook friends-makes this powerful and practical book a must-read for our times.
