The IL track one of five tracks within VAs VR and E program provides a range of benefits to help veterans with service-connected disabilities live independently when employment is not considered feasible at the time they enter the VR and E program. These benefits can include counseling, assistive devices, and other services or equipment. GAO was asked to review issues related to the IL track. This report examines (1) the characteristics of veterans in the IL track, and the types and costs of benefits they were provided; (2) the extent to which their IL plans were completed, and the time it took to complete them; and (3) the extent to which the IL track has been administered appropriately and consistently across regional offices. To conduct this work, GAO analyzed VA administrative data from fiscal years 2008 to 2011, and reviewed a random, generalizable sample of 182 veterans who entered the IL track in fiscal year 2008. In addition, GAO visited five VA regional offices; interviewed agency officials and staff; and reviewed relevant federal laws, regulations, and agency policies and procedures....
