Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

Visible Ink Press. Paperback. Book Condition: new. BRAND NEW, Real Zombies, the Living Dead, and Creatures of the Apocalypse, Brad Steiger, Featuring 30 chilling stories of real-life zombie encounters, this comprehensive and unsettling study draws upon traditions found throughout the world to dispel common depictions of zombies as lurching, flesh-eating automatons made popular by countless movies and books. This fascinating collection includes the stories of the Devil Baby of Bourbon Street, a monstrous creature complete with horns and tail that still lurks in the shadows of the Big Easy; Black Mama Courteaux and the great zombie war, involving hundreds of zombie soldiers battling for the supremacy of their queen; and the swamp child of Mama Cree, who still roams the bayous of Louisiana. In addition to the stories, a variety of zombie-related facts are explored, including ceremonies and initiations, zombies throughout history, sacred zombie and voodoo-related sites, and zombies and monsters of the Bible.
