Tech Agent

By Wayne G Skaggs

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Set in the era of the 1990s, this book portrays an existing secret world, hidden in our technological evolution. Outright evil people and colorful characters were around and were, largely, unrecognized. Follow their journey in a prior time and ask yourself, how much is true and how much is fiction? Such characters did and do exist. There had been a new form of clandestine warfare waged ever since the close of World War II. Industrial espionage had been well out of the public eye. Only in the 1990s has the extent of covert activity been creeping into the news. U.S .News and World Report, the Wall St. Journal and others have begun to report on this industrial espionage. . American corporations had been stealing each other s secrets and technology for decades. Their intellectual gamesmanship was not prepared for more primitive assault. As the world emerged from WW11, non-violent activity graduated, on the international front, into a more dangerous and invasive activity. With U.S. firms reacting to the outflow of technology, the Corporate Spy Wars (U.S. News and...
