## MILTON FRIEDMAN ON ECONOMICS: SELECTED PAPERS

[DOWNLOAD](#)

The University of Chicago Press, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Upon his death in the autumn of 2006, Milton Friedman was lauded as the grandmaster of free-market economic theory in the postwar era by the New York Times and the most influential economist of the second half of the twentieth century by the Economist . Winner of the Nobel Prize in Economics in 1976, Friedman was both a highly respected economist and a prominent public intellectual, the leader of a revolution in economic and political thought that argued robustly in favor of the virtues of free markets and laissez-faire policies. Milton Friedman on Economics collects a variety of Friedman s papers on topics in economics that were originally published in the Journal of Political Economy . Opening with Friedman s 1977 Nobel Lecture, the volume spans nearly the whole of his career, incorporating papers from as early as 1948 and as late as 1990. An excellent introduction to Friedman s economic thought, Milton Friedman on Economics will be essential for anyone tracing the course of twentieth-century economics and politics.
