Not illustrated. 1914 Excerpt: .for its regular weekly meeting which would be most satisfactory to its members. Accordingly the secretary wrote to each member, asking what evening would be most satisfactory. Can you suggest an-other question which would have been better for the secretary to have asked? IV. If a photographic plate be exposed to X-rays and then developed, black marks will be found upon it. Tm If upon developing a photographic plate you should find black marks upon it what would you conclude? Also if you should not find black marks upon it what would you conclude? V. If John agrees to join the football team provided Charles joins it, but Charles decides not to join it, what follows about John? If John joins, but Charles does not join, is John breaking his agreement? A multigraphed copy of these questions was put into the hands of each pupil. No...
