No God But God: The Origins, Evolution and Future of Islam

By Reza Aslan

Cornerstone. Paperback. Book Condition: new. BRAND NEW, No God But God: The Origins, Evolution and Future of Islam, Reza Aslan, *Ten years on from 9/11, much of the Muslim faith remains largely unknown and misunderstood in the West. *While there have been a number of successful books on the topic of Islamic history - from Karen Armstrong's Islam: A Brief History to Bernard Lewis's The Crises of Islam - there is surprisingly no book for a popular audience about Islam as a religion, let alone one by an author from an Islamic background. *No God But God fills that gap, addressing issues of belief: the difference between the Quran and the Bible, the meaning of the Hajj, the Muslim relationship with Jesus, the Muslim attitude towards Jews, equality between the sexes and more. * This revised and updated edition includes a wealth of new material and new chapters covering recent uprisings in Tunisia, Egypt and Libya; the changing face of Islam in Europe and North Africa; and a number of topics of heated debate (the veil controversy; Islam & women; Iraq War as a Jihadi recruiting agent etc).

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
