By Joan L. Brown

Associated University Presses, United States, 2011. Hardback. Book Condition: New. 236 x 152 mm. Language: English . Brand New Book. Confident and authoritative, Well-Written and balanced, provocative and controversial: this is an excellent book, a call to arms and action, that all shapers and readers of literary canons should study with care. ---David T. Gies University of Virginia What is canon and why does it matter? In *Confronting Our Canons: Spanish and Latin American Studies in the 21st Century*, Joan L. Brown shows that a canon has the power to define a field and determine what is taught. She argues that it is both productive and necessary to confront our canons, to see what is actually in them and how these works and authors got there. Only then can educators take charge of their teaching canons and, by extension, their disciplines. Brown demonstrates that there is little agreement in the reported teaching canons in English and Spanish. Analyzing twentieth- and twenty-first-century required graduate reading lists in Spanish and Latin American literature in the United States, she finds that the core literary canon for graduate students is less comprehensive than the Spanish Advanced Placement reading list for high school students. She encourages...
