50 Puzzles for Visual Thinking

By Charles Phillips

Connections Book Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, 50 Puzzles for Visual Thinking, Charles Phillips, What sets us apart from other forms of life is the ability to think of ourselves and for ourselves. So, although there is no doubt that we think, the real question is: How many of us know how to think to our full potential? Answer: Not many! But now we have the "How to Think" puzzle book series. If you want to boost your brain's performance, and learn how to think clearly and effectively in any given situation, read these books, and tackle these puzzles. We live in an increasingly visual age. Websites, print images and TV pictures have tremendous power to energize and move people, and they travel across cultures and beyond language differences. This means that it is more important than ever to know how to think visually. We are all born with tremendous visual intelligence - think of the lavish imagery of our dreams! With expert guidance on how the brain works visually, complemented by instructive puzzles and graphic challenges, this book shows every reader how to maximize their innate visual ability. If a picture is worth a thousand words,...
