Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE BOOK BULLETIN OF THE CHICAGO PUBLIC LIABRARY: JANUARY 1919 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Book Bulletin of the Chicago Public Liabrary: January 1919 It has been found that this can be accomplished very satisfactorily by means of annotations - the addition to each title of a concise little note framed to convey the thoughts indicated above. Book annotations in Library Bulletins must be brief, pointed, honest and convincing. Being designed, in the first instance, not to induce book buying but book reading - not always concomitant objects - they need not, or should not, savor too much of the untempered enthusiasm of the publisher s or publicity man s eulogy aptly described by a remarkable term of trade jargon as the blurb. On the other hand they should be so framed as to answer, as completely as possible in a very small space, the double query as to Why we bought this book and why you should read it. From the information compiled by the book selecting officials of a Library before the book was bought, it should be possible to evolve such an answer to the satisfaction of every reasonable inquirer. Frequently such information will be best conveyed in the words of others who have said just what we wished to say and have said it much better. In that event quotations should be used without compunction and with no fear of a latent implication of evading responsibility. We are still standing behind the book - once removed. Sometimes the note may be wholly subjective, reflecting the mental reactions of the reader; at other times a mere description will suffice, while not seldom nothing can be said about a book that is not already apparent from its...
