St Martins Pr, 1994. Hardcover. Book Condition: New. Dust Jacket Condition: Fine DJ. First Edition. St Martins Pr 1994 First Edition New/Fine DJ Editorial Reviews From An absence of danger and a smug tone spoil this second outing of iconoclastic, Pacific Coast PI Randall Gatsby Sierra, introduced in What Rough Beast Former boozier, former hippie, former soldier and all-around, sax-playing Renaissance man, Sierra agrees to trace his old pal Jock MacLeod, counterculture icon and hedonistic legend. Legendary Jock, having disappeared in Britain with a monstrous publisher's advance, may be working his way north to Scotland, where his roots are and where his newfound nationalistic fervor might find its truest expression. Hill, a bang-up prose stylist who clearly knows his literary lore, takes time and care building up Jock into a mythical Kerouac-like figure, but fails to reveal why the writer is on the lam. Somewhere on the far edges of a narrative that is littered with thick dollops of British history, a hippie gathering at Stonehenge and a protest against a nuclear plant assume significance. Sierra has a winning way with ladies and seems equally comfortable discussing the Grateful Dead and the works of Thomas Carlyle. His adventures ought to be a lot of fun, but, lacking a developing plotline, they aren't. 1994 From Kirkus ReviewsHaving succeeded in bilking an interested publisher out of a \$500,000 advance while still holding on to the manuscript of his long-awaited second novel, '60s survivor Jock MacLeod, the Pied Piper of the Apocalypse, takes off on a self-guided literary tour of Britain. His old buddy, PI Randall Gatsby Sierra, dispatched to look for him before he runs into too much trouble, follows his trail to Canterbury, York, West Lulworth (home of ``Dover Beach" and fetching barmaid Emma Poole), Bath (where two men, a...
