*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

J. Muzacz, United States, 2012. Paperback. Book Condition: New. 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.JAPAN 365 is the Essential art book of Japan. An excellent hand-drawn retrospective and an amazing feat of sustained creativity. Entirely bilingual in English and Japanese. Artist and English teacher J Muzacz set out on a journey with some sketchbooks and ordinary ball pens. A test of artistic endurance, J drew an A4 (8.5in. x 11in.) piece for everyday of 2011 while living, working and traveling in Japan- A Drawing-A-Day Project for 365 days. Delving into history books for classic traditional imagery and embarking on broken bilingual conversations with locals about hidden shrines, temples and festivals, helping harvest rice, eating strange food, dissecting fashion and more, J has unearthed some real gems that many Japanese people do not even know about. Working from life and with stills captured by some of Japan s finest photographers, depicting Hokkaido in the arctic north to Okinawa in the tropical south and everywhere in between, J has captured history, culture and current events in stark and striking black and white, reminiscent of Japan s archetypal art style-the Hanga woodblock print. Images range from beautiful landscapes to scenes of unsettling tsunami aftermath, women wearing kimono to unfinished old faces-- always evocative and educational, insightful explanations or anecdotes on every page, laid out clearly in both English and Japanese. Muzacz re-establishes artwork as a viable means to record a unique folk history while still communicating universal human tendencies and timeless natural beauty. Let us not forget that visual art is a valuable story-telling medium which transcends language barriers. Japan 365 is a must-have for aspiring artists or architects, Japan-o-philes of any kind, Asian art aficionados, anyone interested in Japanese language, history and culture, or...
