Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Let's face it: when it comes to infants and babies, adults that are expected to handle baby first year care and later child care have no idea what parenting challenges lie ahead. Yes, you've managed to get the best apps on baby parenting, development and child care, you have been stocking up on baby first year education toys, are learning to help your baby talk and maybe even painted the nursery the best color for baby sleep help. However, this will still not prepare you for the barrage of baby parenting problems the first year and after will bring. You will be wishing that your infant would have come with a baby parenting education manual. The kind of problems you'll encounter with infant and baby development are 100x more baffling than any you have seen before. Trying to help your baby talk, baby education, baby nutrition and health, desperately seeking out baby sleep help - these are all new issues to deal with. Babies and first year infants are always a handful. At some point you will get those awful moments of cluelessness. Whether you are a new mom, dad or experienced with baby parenting, you will find lots of value in this baby education and development guide book. Here are just a few topics you will learn about: - How to properly parent newborn infants - How to help your baby talk - Baby first year beyond development milestones - What to expect as a new dad - What to expect as a new mom - Baby health and signs of problems - Baby sleep help for new parents - Baby first year and...
