Stn Printers, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Father Act In The Hour is a God ordained book which illustrates the mind and intent of Abba Father for His children concerning the Christian Faith. The author goes to the roots to explain the meaning of faith and how to unleash the faith that has been dormant in the lives of Christians. The purpose and the aim of this book is to edify both believers and non-believers on the power which we possess and the benefits of faith in our lives. Faith is many times over emphasized and misunderstood which cause us as humans to see faith as this big word when in-fact each and everyone of us received a portion of faith. This book is designed to take the reader from faith to faith through the application of the word of God.
