Language: English Brand New Book ***** Print on Demand *****.Excerpt from Excavations at Phylakopi: In Melos, Conducted by the British School at Athens In accordance with a proposal of the Committee of the British School at Athens, the Council of the Society for the Promotion of Hellenic Studies, at a meeting held on Dec. 20, 1900, authorised the publication of a Supplementary Paper embodying the results of the Excavations at Phylakopi. For this purpose a special Editorial Committee was appointed, consisting of Messrs. R. C. Bosanquet, E. A. Gardner, and G. F. Hill. The process of preparing for publication the masses of pottery and other objects brought from Melos to Athens has of necessity been a slow one. It was begun by Mr. C. C. Edgar in 1897, and has been carried on since 1899 by Mr. Bosanquet, with occasional help from Mr. F. B. Welch and other members of the British School. The majority of the drawings (excluding those in Chapter II. which are all by Mr. Atkinson) are the work of Mr. Halvor Bagge; others, including the coloured copy of the Flying-fish picture, have been made by Mr. E. Gilleron, and a few by Mr. Theodore Fyfe. The difficulty of communication between contributors living in three and sometimes four different countries, may be held to excuse certain inconsistencies in nomenclature. No contributor is to be regarded as responsible for any statement not standing over his own signature. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
